Support the Foundation

There are several ways you can support the SYTA Youth Foundation while at Conference. See below for your options.

- **Live & Silent Auctions:** DMO and CVBs have generously donated destination packages that **showcase what their destinations has to offer**—and that you can bid on!
- **Chance Drawing:** Attendees can purchase tickets in advance or onsite to drop their tickets in the item box of their choice for a chance to win fun prizes!
- **Suppliers - Swap the Swag!:** Instead of suppliers sending small gifts before our Annual Conference, we invite you to **Swap the Swag** and **donate** to the **SYTA Youth Foundation** in place of traditional pre-conference giveaways.
- **\$25 for 25 Years:** In celebration of **25 years of impacting students**, help the Foundation **raise \$25,000** to connect youth with the resources required for travel experiences that will inspire them to be confident, connected and globally responsible citizens. Donate by scanning the QR code below:

"Under the Stars" with Explore Branson

"Under the Stars", hosted by **Explore Branson**, will take place at the stunning **Electric Moon Skytop Lounge** atop the JW Marriott. This exclusive event promises to be a conference highlight, bringing together industry professionals for an unforgettable evening of networking, music, and celebration. All proceeds from supplier registrations will go directly to the **SYTA Youth Foundation**.

Wellness App: Sophia's Savannah Stroll

This year, during our Annual Conference, SYTA attendees have an opportunity to **raise funds just from walking!** All proceeds raised through our **wellness app** (see below) will be donated to the newly-formed **Sophia Ruggieri Foundation**. These funds will help cover travel expenses for children attending Camp Kudzu, continuing Sophia's legacy of care and compassion.

A passionate traveler, Sophia dreamed of living in Edinburgh, Scotland for a year and exploring Europe. To support her own travel aspirations and manage the challenges of

her Type 1 diabetes, Sophia attended Camp Kudzu in Georgia—a camp specifically designed for children living with the disease. Sophia's connection to Camp Kudzu was so profound that she later became a counselor, offering mentorship, empathy, and encouragement to others navigating the same journey. Sadly, Sophia lost her battle with Type 1 and passed away in November 2023.

Scan the QR Code on the flyer. Set up a Steps goal in the app before Aug 22 and you'll be entered into the challenge automatically. Every participant and every step = more dollars for [Sophia's Stroll](#).
