# Ultimate Arctic Summer Adventure

Season: July - August

Location: Churchill, Manitoba, Canada

Duration: 5 Nights

With 60,000 Beluga Whales filling the Hudson Bay and Polar Bears leaving the melting sea ice, summer is an amazing time to visit Churchill! Over the course of this five-day adventure, our experienced guides will take you to beautiful wild places that offer the very best opportunities to see Polar Bears, Beluga Whales, Arctic Sik-Siks, over 200 nesting or migrating bird species, seals, Arctic Hare, Arctic Fox, and more.

Our guides will take you in our customized vessel certified by Transport Canada on an adventure to experience one of the more remote Polar Bear viewing areas on the west side of Hudson Bay. You will have the opportunity to view Polar Bears in their summer environment, swimming and walking around the rocks and wildflowers. Weather and wildlife permitting, you will disembark the boat to walk where Polar Bears roam.

Along the same shoreline, hundreds of Beluga Whales come to feed, mate and give birth in the warm, shallow near-coastal waters. Our Beluga Whale Boat/Fort Tour will focus on viewing the beautiful Beluga Whales in their natural habitat in the Churchill River and into the Hudson Bay area as they feed on schools of Caplin, Arctic Char and Brook Trout. We will also go ashore for a walking tour of the historic Prince of Wales Fort. AquaGliding and kayaking with the whales are available as optional extras.

Next, you will experience a bonus summer Tundra Tour on our Arctic Crawlers™ to view the beautiful landscape. This tour will be on the same vehicles we use for our fall Tundra Tour. Later that evening after a delectable supper, depending on weather and cloud coverage, it may be possible to see the Northern Lights.

The Cultural and Heritage Tour takes you to Churchill and the surrounding area where you will be exploring various historic sites. These include Cape Merry, an outside tour of the Polar Bear Holding Facility, the wreckage of the famous plane, "Miss Piggy", and many other historic sites that make Churchill the town it is today.
