WELCOME Y'ALL!

We did it! Antarctica, November 2023.

We are an Alabama family with a passion for ed-venture and culture. We ditched school (twice) in exchange for a global education using the world as our classroom.

Here we share the secrets to extraordinary adventures on an ordinary budget.

Our mission is challenging families to travel boldly.

Whether you are planning a two-week vacation or a family sabbatical, we're here to help!

Follow along for trip ideas, budget tips, practical advice, and funny (and not-so-funny) stories from traveling the world.

Your kids only have one childhood...make it one to remember!
