Who We Are

The SYTA Youth Foundation is the philanthropic organization for the Student & Youth Travel Association (SYTA), a non-profit, professional trade association that promotes student and youth travel worldwide.

What We Believe

Every student deserves to embark on a journey that will help them develop a better understanding of themselves and the world around them. Traveling brings subject matter to life in a way the classroom can't and not all students have the resources to participate in these life-changing opportunities.

What We Do

We connect youth with the resources required for travel experiences that will inspire them to be confident, connected, and globally responsible citizens.

PROGRAMS & SCHOLARSHIPS

Our programs and scholarships provide young people access to travel experiences that spark curiosity, cultural awareness, and care for the world.

Most scholarship requests made by educators on behalf of their students are for \$1,000 and over 80% go unfulfilled each year.
