IGNITE PRESENTATIONS
ENLIGHTENMENT IN A JIFFY!

IGNITE PRESENTATIONS: The idea is simple. Ignite is a session of short talks, with a twist. Speakers get five minutes and up to 20 PowerPoint slides (15 seconds a slide) to make their point, enlighten and entertain. This interactive education session features Summit attendees from a variety of personal, educational and business backgrounds interested in sharing their passion, their causes, and their meaningful moments.

We need you. Topics may be on industry trends, new ideas, passions, sports, marketing, social media, a great book, a success story, a lesson learned or favorite app. This is the value of Summit – sharing great ideas and building positive relationships.

Submit an Idea!

Please be a part of IGNITE at Summit 2023 and submit your idea! The IGNITE presentations will take place during the meeting on Wednesday. The SYTA Staff & Summit Committee are available to answer any questions and be a resource to you.

All SYTA Summit Ignite presenters must use the SYTA PowerPoint template. Remember! You only have five minutes and up to 20 slides, 15 seconds a slide, to present your Ignite Presentation.

Please submit the presentation proposal form to SYTA Staff by **Wednesday, November 30, 2022**, to be reviewed by the SYTA Summit Committee. The Summit Committee will review submissions and provide feedback by December 16, 2022. Please email your proposal to Katy Summers at ksummers@syta.org.
